# INTRODUCING MECHANICS VICES

A brand new range of Vices, suitable for light to heavy-duty applications. Manufactured and machined to close tolerances and designed to offer smooth and reliable operation.

The range includes Vices tailored to all trades and DIY uses, able to suit a huge range of mechanical and engineering tasks. Each Vice in the range comes with additional spare parts, increasing the versatility and ensuring no task is overlooked. With strong, robust construction, these brand new Vices are an excellent addition to our product range.

## RANGE FEATURES

- \* VICES INCLUDE 5 SIZES  
75MM TO 200MM
- \* LIGHT & HEAVY-DUTY  
APPLICATIONS
- \* SPHEROIDAL GRAPHITE  
CAST IRON
- \* BENCH MOUNTABLE  
FOR EXTRA STABILITY
- \* SPARE JAWS & BASES  
ON SELECT VICES

Base shown:  
FAI MV150FGSB

## VIRTUALLY UNBREAKABLE

During the manufacturing process the Graphite (carbon) element of the steel is shaped and aligned and adds the important 'spherical' aspect to the name.

This makes these vices virtually unbreakable as well as much lighter than conventional grey cast iron, (the material traditionally used for the construction of mechanics vices).

## 5 DIFFERENT SIZES

This range features five different Vice sizes, best suited for medium to heavy-duty applications. Sizes include 75, 100, 125, 150 and 200mm. Also featuring a 100mm light-duty Vice, focused more for DIY applications.

## INTEGRAL ANVIL

Assists with the hammering of various materials

## SWIVEL BASES

A bench mountable swivel base is available for selected Vices, enabling access to more angles on the workpiece. These bases can also be tightened to lock the Vice at any one angle.

## ECO PACKAGING

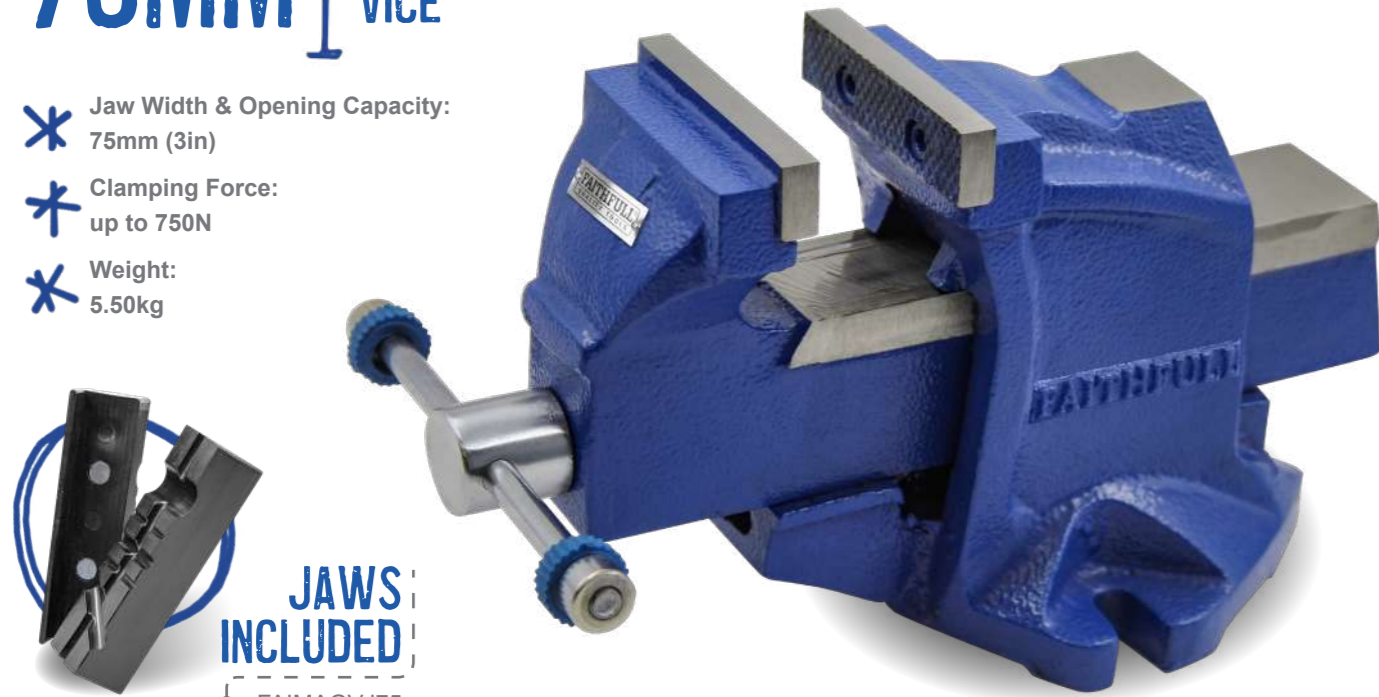

We pride ourselves in recognising the importance of our environmental footprint.

Model shown:  
FAI MV100SGLD  
100mm Light-duty Vice

# 75MM HEAVY-DUTY VICE

- \* Jaw Width & Opening Capacity: 75mm (3in)
- \* Clamping Force: up to 750N
- \* Weight: 5.50kg

**JAWS INCLUDED**

FAIMAGVJ75

## SPARES

CODE	PRODUCT	LIST
FAIMAGVJ75	Plastic Magnetic Jaws	£14.50
FAIMV75JAWS	Metal Jaws	£10.00

## COMPACT SIZE

Ideal for DIY use, yet just as robust and reliable.

**CODE**  
FAIMV75SG

**LIST £75.00**

# 100MM LIGHT TO MEDIUM-DUTY VICE

- \* Jaw Width & Opening Capacity: 100mm (4in) / 115mm (4 1/2in)
- \* Clamping Force: up to 1000N
- \* Weight: 4.43kg

## LIGHTWEIGHT DESIGN

Designed for light to medium-duty applications, without compromise on construction or materials.

## SPARES

CODE	PRODUCT	LIST
FAIMAGVJ100	Plastic Magnetic Jaws	£16.50
FAIMV100JAWS	Metal Jaws	£11.00
FAIMV100FGSB	Lockable Swivel Base	£15.00

## BASE INCLUDED

FAIMV100FGSB

**CODE**  
FAIMV100SGLD

**LIST £46.99**

# 100MM HEAVY-DUTY VICE

- \* Jaw Width & Opening Capacity: 100mm (4in)
- \* Clamping Force: up to 1000N
- \* Weight: 7.70kg

**JAWS INCLUDED**

FAIMAGVJ100

## SPARES

CODE	PRODUCT	LIST
FAIMAGVJ100	Plastic Magnetic Jaws	£16.50
FAIMV100JAWS	Metal Jaws	£11.00
FAIMV100FGSB	Lockable Swivel Base	£15.00

**CODE**  
FAIMV100SG

**LIST £99.00**

# 125MM HEAVY-DUTY VICE

- \* Jaw Width & Opening Capacity: 125mm (5in)
- \* Clamping Force: up to 1500N
- \* Weight: 11.5kg

**JAWS INCLUDED**

FAIMAGVJ125

## SPARES

CODE	PRODUCT	LIST
FAIMAGVJ125	Plastic Magnetic Jaws	£19.50
FAIMV125JAWS	Metal Jaws	£16.00

## PERFECT ALL ROUNDER

The ideal size for both DIY and trade use, combining occasional DIY tasks with heavy-duty engineering uses.

**CODE**  
FAIMV125SG

**LIST £139.99**

# 150MM HEAVY-DUTY VICE

- \* Jaw Width & Opening Capacity: 150mm (6in)
- \* Clamping Force: up to 2000N
- \* Weight: 13.5kg

**JAWS INCLUDED**

FAIMAGVJ150

## SPARES

CODE	PRODUCT	LIST
FAIMAGVJ150	Plastic Magnetic Jaws	£22.50
FAIMV150JAWS	Metal Jaws	£20.00
FAIMV150FGSB	Lockable Swivel Base	£20.00

**SIZE**  
The size of each vice is stamped on the side

## BENCH MOUNTABLE

All Vices feature slots, enabling them to be mounted to a workbench.

**CODE**  
FAIMV150SG  
**LIST** £159.99

# ANVIL 5KG

- \* Made from Spheroidal Graphite (SG) Cast Iron
- \* Single bick construction
- \* 115 x 68mm working surface

## SMALL BUT TOUGH

Able to withstand heavy blows, this 5kg Anvil is ideal for hobbyists, jewellers and watchmakers.

## SQUARE HOLE

For accessories, punching and bending.

## ROUNDED HORN

For the smooth shaping and bending of metals.

## PORTABLE

Ideal for repeated tasks on the go.

**CODE**  
FAIANVIL5  
**LIST** £36.99

# 200MM HEAVY-DUTY VICE

- \* Jaw Width & Opening Capacity: 200mm (8in)
- \* Clamping Force: up to 3000N
- \* Weight: 20.5kg

**JAWS INCLUDED**

FAIMAGVJ200

## SPARES

CODE	PRODUCT	LIST
FAIMAGVJ200	Plastic Magnetic Jaws	£31.00
FAIMV200JAWS	Metal Jaws	£29.73

## LARGEST IN THE RANGE

Capable of withstanding the toughest of tasks, this Vice is the largest size in the range.

**CODE**  
FAIMV200SG  
**LIST** £230.00

# 60MM HOBBY VICE

- \* Jaw Width: 60mm (2 1/2in)
- \* Jaw Opening: 51mm (2in)
- \* Fits Surfaces up to: 45mm Thick

## IDEAL FOR DIY USE

Best suited for DIY enthusiasts or model makers.

## HIGH QUALITY CONSTRUCTION

Manufactured from high-quality grey iron castings and machined to close tolerances to ensure a smooth operating sliding jaw.

## DURABLE

The mainscrew and handle are chromed to provide better corrosion resistance.

## INTERGRATED CLAMP

Able to fit work surfaces up to 45mm thick.

**CODE**  
FAIV60  
**LIST** £26.63

# 75MM TABLE TOP VICE

- \* Jaw Width: 75mm (3in)
- \* Clamping Capacity: 55mm (2in)
- \* Throat Depth: 30mm (1in)

## HIGH QUALITY CONSTRUCTION

Manufactured from high-quality grey iron castings and machined to close tolerances to ensure a smooth operating sliding jaw.

**SWIVEL BASE**  
Allows the workpiece to be rotated through 360°.

**INTEGRAL CLAMP**  
Securely attach the Vice to a workbench.

**CODE**  
FAIVW75B  
**LIST** £45.58

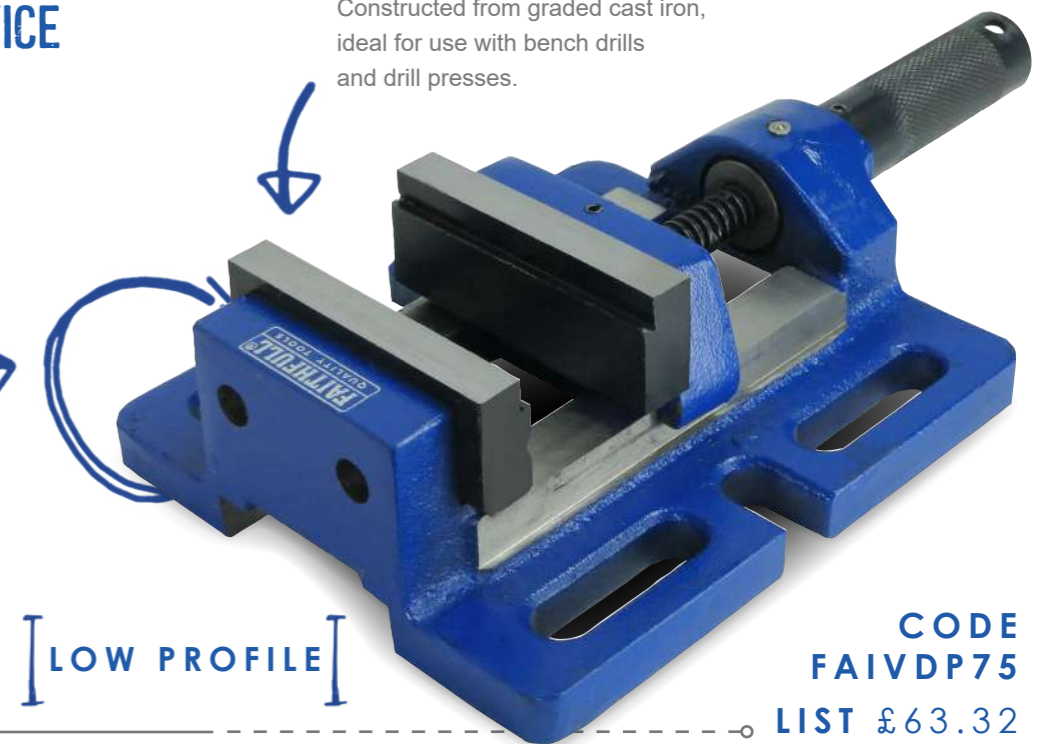

# 75MM DRILL PRESS VICE

- \* Jaw Width: 75mm (3in)
- \* Jaw Opening: 70mm (2<sup>3</sup>/<sub>4</sub>in)

## ERGONOMIC DESIGN

A locking spindle moves inside the hollow handle grip allowing the Vice to be tightened at any position on the drilling table.

Elongated clamping slots also permit rapid adjustment of the Vice on the work surface.

**LOW PROFILE**

**CODE**  
FAIVDP75  
**LIST** £63.32

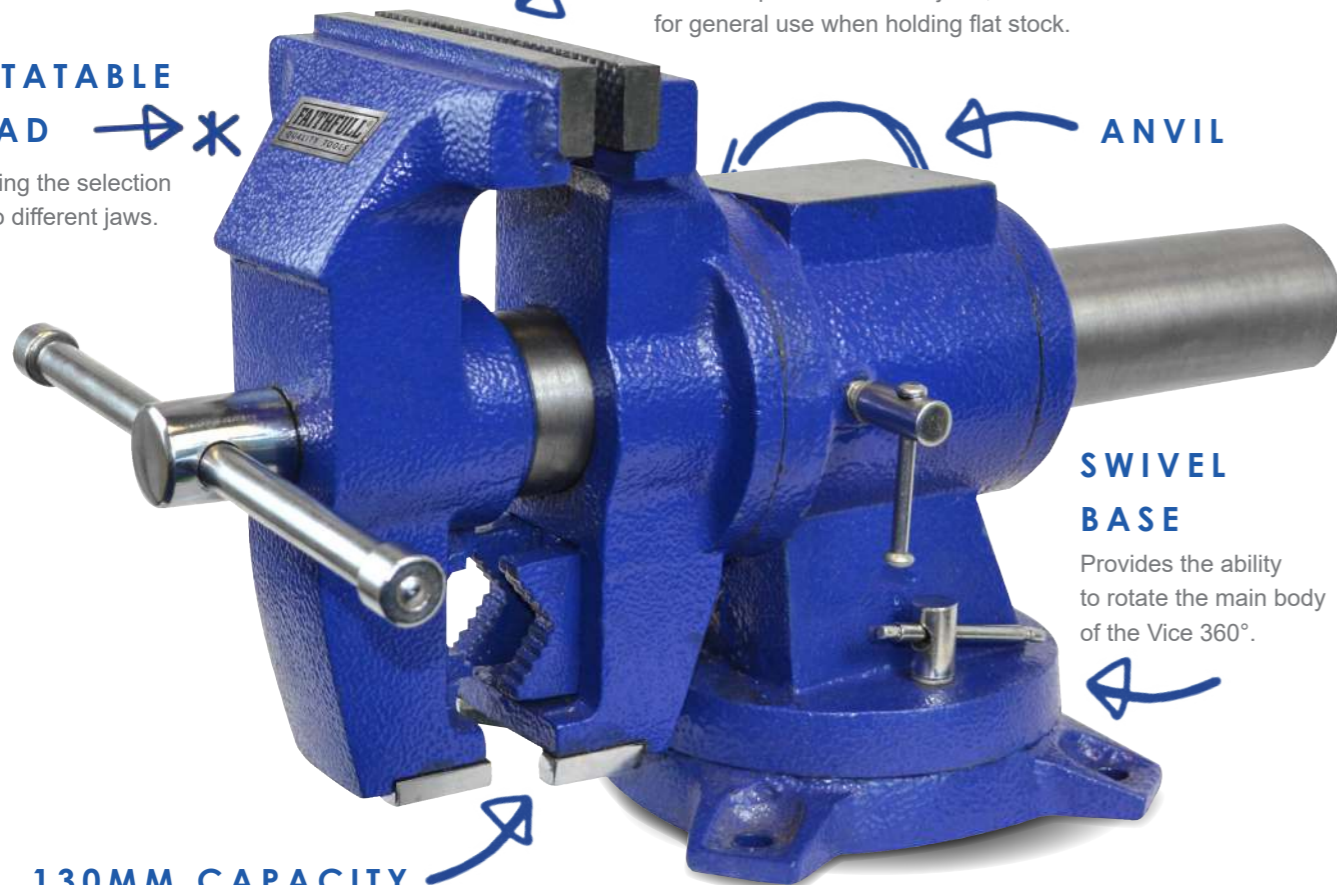

# 125MM MULTI-PURPOSE VICE

## ROTATABLE HEAD

Allowing the selection of two different jaws.

## 140MM JAW WIDTH

Standard parallel serrated jaws, ideal for general use when holding flat stock.

## ANVIL

## SWIVEL BASE

Provides the ability to rotate the main body of the Vice 360°.

## 130MM CAPACITY

Pipe jaws with an integral V-jaw assembly, for holding round stock.

**CODE**  
FAIVMULTI360  
**LIST** £194.08

# WORKSHOP BENCH VICES

## ROBUST & DURABLE

Manufactured from close grained grey cast iron with accurately machined housings for smooth movement.

## 185MM JAW CAPACITY

Featuring 7mm diameter holes for securing the Vice.

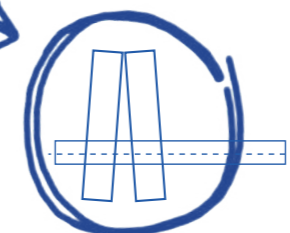

## 145MM JAW CAPACITY

Featuring 7mm diameter holes for securing the Vice.

## TOE IN FEATURE

These Vices feature toe-in jaws that meet only at the top when fully closed, this enables the jaws to adjust and provide an even clamping force over the whole of the workpiece when under load.

## ACME THREADS

Both Vices feature a steel main screw with Acme threads.

CODE	PRODUCT	SIZE	LIST
FAIVW150B	Workbench Vice	150mm (6in)	£40.27
FAIVW175B	Workshop Vice	175mm (7in)	£52.64

# WOODWORKING

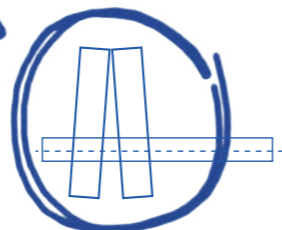

## BENCH VICES

### 330MM OPENING

Product code: FAI VW230DQ

### TOE IN FEATURE

This Vice features toe-in jaws that meet only at the top when fully closed, this enables the jaws to adjust and provide an even clamping force over the whole of the workpiece when under load.

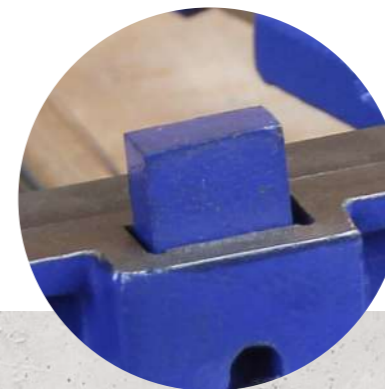

### \* STEEL GUIDE RODS

The accurately machined housing, coupled with solid steel guide rods assure a smooth sliding true parallel action for the jaw, free from side or cross deflection.

### 200MM OPENING

Product code: FAI VW175DQ

### ADJUSTABLE FRONT STOP

The adjustable front stop, or dog, provides an additional clamping facility when used in conjunction with a bench stop.

### QUICK RELEASE LEVER

A quick release lever allows the user to open the Vice jaws to the required width without the need to wind the main screw handle, providing much faster adjustment.

### 115MM OPENING

Product code: FAI V34

### \* RANGE OF USES

These Vices are best suited for woodworking, however they can be used for a range of other tasks, such as metal-working, DIY and hobby use.

### 200MM OPENING

Product code: FAI VW175DP

### INTEGRATED CLAMP

Fits work surfaces up to 52mm thick.

### MANUFACTURED FROM CLOSE GRAIN GREY CAST IRON

With a steel mainscrew, for a long and trouble-free working life.

CODE	PRODUCT	SIZE	LIST
FAIV34	Woodcraft Vice Clamp Mount	150mm (6in)	£50.37
FAI VW230DQ	Woodwork Vice Quick Release	230mm (9in)	£225.82

CODE	PRODUCT	SIZE	LIST
FAI VW175DP	Woodwork Vice Plain Screw	175mm (7in)	£107.10
FAI VW175DQ	Woodwork Vice Quick Release	175mm (7in)	£160.59
